SPECIFICATIONS

Overview

"Hale Yeah II" is a beautiful example of a 2000 SEA RAY 460 Sundancer with relatively low hours (545 original) on her optional (and preferred) CUMMINS 430 HP Diamond Series diesels. There's enough power to mover her at a comfortable low-to-mid 20's knot cruise with excellent fuel burn & with a top end of around 28-29 knots.

This Chesapeake Bay Dancer has seen very light use and excellent care. Her interior accommodations include a large salon & galley area, fore and aft staterooms, two head and the capacity to sleep 6. On deck, there is a large aft seating area with a convertible sunpad and leading out onto a large hydraulic swim platform. And on the bow, there is a second sunpad to accommodate more family and friends.

For additional information or to arrange a showing call Central Listing Broker.
