Overview

Looking for a luxury family cruiser with the heart of tournament fishing machine? This Seakeeper equipped Nor-Tech 392 Hybrid SuperFish offers the perfect balance of both worlds. Call for details on this beauty! What makes the Nor-Tech 392 Super Fish a cut above the rest? We hired a seasoned offshore fishing veteran and brought in a variety of professionals and enthusiasts to design the ultimate offshore fishing machine. The result is a feature-laden product built to the exacting standards Nor-Tech has established in over 20 years of producing the finest quality of Hi-Performance Boats and Yachts. Starting with a 3 piece composite construction of glass and Kevlar the 392 is built like no other. The entire single level cockpit is self-draining via an under deck plumbing system glassed into the cockpit liner. At the transom, there are two 65 gallons livewells plumbed with the finest sea chest pump system ever developed along with built-in tuna tubes. Contact one of our Salesman for pricing and options!
