SPECIFICATIONS

Overview

Here is a hard to find 36' Riviera that is in excellent condition. She sports a navy blue painted hull and is powered by reliable Cummins diesels with electronic controls. The hull is designed with prop pockets and underwater exhaust for better performance and sound control.

A highlighted feature is the stainless steel door and window between the cockpit and the salon that open together to make the two areas flow into one. The galley is immediately to starboard with the helm just forward of that. Opposite is the comfortable settee. Down below are (2) staterooms and a head with stall shower.

Make an appointment and see this beauty in person. Currently moored in a private marina on Lake Union.

Basic Information

Category: Motor Yacht

Sub Category: Sport Cruiser

Model Year: 2007

Year Built: 2007

Country: United States

Dimensions

LOA: 38' 6" (11.73m)

Accommodations

Total Cabins: 2
