SPECIFICATIONS

Overview

BW offers a great opportunity to purchase a fully equipped 37' Intrepid with the highly desirable 627 engines which have just received all available updates. A full array of custom upgrades from the factory, plus ample seating, enclosed head, dive door, excellent electronics and a tremendous stereo are just some of the many options featured aboard. Perfect set up for a family boat, or as a towed tender. Easy to see in Ft Lauderdale.

DETAILED INFORMATION

Overview

BW offers a great opportunity to purchase a fully equipped 37' Intrepid with the highly desirable 627 engines which have just received all available updates. A full array of custom upgrades from the factory, plus ample seating, enclosed head, dive door, excellent electronics and a tremendous stereo are just some of the many options featured aboard. Perfect set up for a family boat, or as a towed tender. Easy to see in Ft Lauderdale. Key features:

- Custom Imron hull paint
- Raymarine Electronic package
- FLIR
- Stern anchor with windlass
- Seven Marine 627 engines
- Dive door
- Tow ready

Manufacturer Provided Description

This powerful open fisherman goes further faster on an innovative new hull that features stylish sheer lines, a reverse transom, and wider chines. The increased surface area of the transverse stepped hull provides greater support and stability for the heavier 4stroke engines. The bulletstyle console with forward seating glides to port with a touch, for an easy stepdown into a spacious head with vanity and sink. Then there's the huge storage capacity courtesy of two uniquely designed gunwale lockers. The "always ready" anchor storage means no bow pulpit. And an optional side entry dive door is not only comfortably convenient, but positioned safely away from props. Integrated storage, bait well, and cooler options in the forward lounge seating provide unmatched comfort and versatility. You can expect the same smoothness on the water that every Intrepid is known for. A smooth, dry ride and maximum deadrise are the result of our industryleading transverse stepped hull design. Vacuum bagged, handlaid knitted uni and multidirectional fiberglass laminates, foamcored hull sides, transoms, boat deck liners and woodfree construction provide unprecedented strength, rigidity and safety without the performancerobbing weight.

Features

- Imron Painted Blue Hullsides & Red Boot and white accent pin stripe
- Twin Seven Marine 627 engines
