DETAILED INFORMATION

VESSEL WALKTHROUGH

Built and designed in Queensland, Australia, for their challenging waters, the 54 Maritimo Enclosed Bridge Motor Yacht is an extremely comfortable and capable long-range cruising yacht with a fuel-efficient design and extra-large fuel tanks for great cruising range. Her finely finished high gloss Wenge interior and high quality leather salon upholstery are elegant but simple. The aft galley easily opens up to the cockpit with high quality folding glass doors and is perfect for entertaining, meal prep, or just relaxing. One of the best features of all the later model Maritimo Motor Yachts is the spacious full beam amidships master stateroom with Ensuite head & shower. The enclosed fly bridge is easily accessed by internal stairs and has plenty of a/c and heat when needed. It can be opened up when the weather is nice with a sunroof, opening side windows, and rear glass doors that open widely to a spacious fly bridge aft deck. Full walk-around decks with raised bulwarks provide safety and security on deck and easy handling of dock lines and fenders for docking or locking.

For extended cruising you will also appreciate the huge lazarette for gear, generous storage throughout the yacht, and ample refrigeration. Maritimo Yachts routinely run long distances offshore. Solid construction, excellent seakeeping ability, exceptionally large fuel tanks, fuel efficient designs and a crash bulkhead give you peace of mind when venturing off shore.

GALLEY

The aft galley opening up to the cockpit is perfect for entertaining or just relaxing.

Tri-fold Glass Door Fully Opens to Cockpit

ENCLOSED FLYBRIDGE

The enclosed fly bridge has plenty of a/c and heat when needed and is easily accessed by internal stairs. With sliding side windows, electric sunroof with shade & screen, and wide opening rear tri-fold glass doors, the enclosed bridge can be opened up when the weather is nice. The easy angle of the internal stairs is ideal for old people, young people, and pets!

Easily Negotiated Internal Stairway

Stainless Steel Safety Railing

(2) Pompanette Leather Helm Chairs

Large Aft Flybridge Deck

Teak Decking

Sunshade

Stainless Steel Railing

Flag Staff Holder

ENCLOSED FLYBRIDGE HELM & ELECTRONICS

The enclosed helm with dual reverse cycle heat & A/C offers total comfort in all conditions and excellent visibility for the cruising captain and mate. Additional seating and the large aft deck make the enclosed bridge an excellent additional living area. For those who enjoy the open style bridge, the sunroof, side windows, and aft door open to bring in the outdoors. It is truly the best of both worlds.

KVH TracVision HD7

(2) Pompanette Leather Helm Chairs
