## Overview

---

She was refitted in 2019 with \$650,000 of NEW AV and Electronics, including new Garmin package (radar, plotter, transducer etc.), Simrad Auto-pilot, Maretron displays & transducer, KVH HD Satellite, Wave WiFi, ICOM VHF Radios & antenna, Fusion Stereos, Sonance Amplifiers, Interior Samsung TV's, Exterior Sunbrite TV's, Creston System and Apple iPad/Sonos controls throughout. Additionally, all appliances were replaced in 2019 including NEW Eskimo Ice Machine, Refrigerators, Freezers, Laundry Centers, Convection Oven, New Spot Zero and Water Maker. Cats engines and after coolers were both serviced in 2019. STERLING V completed an extensive \$800,000 interior and exterior refit in 2013/2014. The interior was completely remodeled and updated by "Interiors by Shelly" including a full galley remodel. Including new teak decks were added on the fly bridge. **Trades Considered!**

## Highlights

---

This yacht was originally commissioned for a repeat Hargrave customer, she encompasses the largest master stateroom ever installed in this size Hargrave, including many other features appreciated by the most experienced owners. All Running Gear and Bottom Job Serviced Nov 2018 All NEW AV & Electronics 2019 All NEW Appliances 2019 Interior & exterior refit 2013/2014 Low hours 3,200 - Recently Serviced by Caterpillar New iPad/Crestron A/V equipment 2019 New Wave WiFi with Cellular Antenna 2019 New KVH HD Satellite Antenna 2019 Huge interior volume Vast exterior spaces Exterior paint and teak decks in near perfect condition Largest master cabin seen in this range Upgraded Naiad stabilizers Amazing cockpit with Eskimo Ice Machine, Fishing Rod Holders and Swim Platform Upgraded Modern and contemporary styling Hydraulic Bow and stern thrusters Country kitchen with large dining table On deck day head Lazarette area has large work space, storage, freezer and shower/head

## Walkthrough

---

The aft of Sterling V features a full beam swim platform, large teak cockpit, live bait well, and eskimo ice bin, perfect for fishing and water sports, with access to the lazarette, exterior day head, engine room, and up to the aft deck via the Euro style transom stairs. One of the few Cockpit motoryachts built by Hargrave, she offers an abundance of additional storage options. The large lazarette features an amazing workshop, dive & fishing center, with workbench and tool area, large day head with shower to accommodate water sport enthusiasts without having to enter the inside of the yacht. Pop out steps built into the hull allows boarding from different level docks an easy task The aft deck features a large custom teak dining table, built-in bench seating and a complete set of Front Gate wicker chairs to comfortably seat 8 guests. To port forward below a high gloss buffet is a hidden drink refrigerator. Port and starboard aft are steps wind down to the cockpit and entrance to the lazarette and engine room. On the port side above the service bar is a 40" Sunbrite TV. Port side is a sink and starboard is a set of docking controls. Moving forward through the electric glass sliding salon doors, you enter into a full beam open floor plan salon and dining room. The stunning interior styling compliments the volume of this room, with neutral tones paired with cherry veneer accents. Large aspect windows run the full length of this area on the port and starboard side, allowing an abundance of natural light to flow in. The forward dining space is an extension of the main salon area. On the port side aft corner of the salon is a New 60" Samsung TV. STERLING V offers enough space with a formal dining table in an informal setting. The rectangular table seats eight comfortably. Concealed storage with dual refrigerators and a U-Line Wine Cooler enhance the entertainment elements all located on the forward wall. An on-deck day head is situated in the hallway leading to the stunning country style galley. The huge country style galley

is the heart of the yacht, and as with homes this is where everyone gathers. Benefitting from a complete facelift in 2014, this stunning area features a large dining table with built in seating, Island bar, and stainless steel appliances. White Silestone covers the ample counter space. Porcelanosa flooring and glass tile backsplash has been added. The galley is fitted with a New 32" Samsung TV. Access to the crew quarters via a private staircase, this includes a captain's cabin with full berth and a separate bunk cabin for 2 crew members. Access to the guest cabins is from the main hallway, Sterling V can accommodate 6 guests in 3 en suite staterooms, comprising of one king, a queen, and a twin cabin. The oversized master features a custom settee, two large walk-in cedar lined closets, a centerline king berth facing a hi-low entertainment center with a New 56" Samsung TV. Storage is found in cabinets doubling as display counters, as well as his and her walk-in closets. The his and hers en-suite head which shower on center is basked in marble both on the counters and floors. This stateroom was completely reworked during the refit. The master stateroom is one of largest you'll see on any vessel of this size, equivalent to staterooms found on yachts over 130'! This raised pilothouse model gives the captain two Stidd helm chairs from which to navigate. The electronics console features Garmin equipment (2019) that any professional captain will feel comfortable with. Behind the helm chairs is a table and bench seat for guest observation. The vast flybridge with teak decking features large opposing U-shaped settees, perfect for dining and entertaining, a central Island full service bar with U-line ice maker and refrigerator, and forward facing stainless bar stools. Aft of the U-shaped settees to port is a custom made sunpad. There is a custom removable enclosure around the front of the flybridge which ensures comfort when underway. The hardtop provides lighting and protection for the forward areas of the flybridge, whilst still leaving the aft sunpad exposed for the sun lovers. There are two 48" TVs located on either side of the hardtop supports. The flybridge offers complete New Garmin navigation equipment. This area also features a stainless BBQ grill, oversized 2500 lb davit for a tender that will allow loading from the port side or stern of the yacht. When the tender is unloaded this deck makes a great entertainment area.

## Engines

---
