BROKER'S COMMENTS

This vessel was lovingly cared for while living aboard and cruising the islands. Unfortunately, the owners were relocated and for the past year the vessel has been primarily left at dock.

She is due for bottom anti-foul paint and top deck/hull compound and wax. The teak has all just been redone.

This vessel is mechanically sound, dry, and ready-to-sail.

A July price reduction offers new owners a great deal on this Beneteau Oceanis 461.

Exclusions

Owner's personal belongings.
