## Overview

---

The "Sea Dozer" is one of the few 80' Hatteras's built with both upper and lower helms. This option gives the pilot the best vantage points and access points. While using the lower helm you can enjoy the climate controlled interior, and if you are seeking more of the outdoor experience simply go up a few steps to the bridge. She also features wing helm controls, that give you the ability to work the boat while looking directly over the sides. In short the Sea Dozer offers the captain and crew and her guests the best possible ease of use.

# DETAILED INFORMATION

---

---

## Manufacturer Description

---

Sleek exterior styling and a generous beam contribute to the expansive feel of the Hatteras 80 Motor Yacht yacht. The 21'3" beam incorporates Hatteras' popular convex hull design and, of course, a solid fiberglass hull bottom for strength and durability. Seven-blade propellers and deep gear ratios contribute to the renowned Hatteras ride. Inside, the full-beam salon opens up a host of entertaining possibilities, thanks to a complete entertainment center and wet bar with icemaker conveniently located just inside the salon door. Furnishings include a custom designed lounge, twin club chairs, end table and coffee table. The architectural styling and craftsmanship are stunning - rich wood, bowed cabinetry, exquisite moldings and sketch-face panels. The stylish galley features all of the essentials and beautiful extras - marble/granite countertops - as standard. Amenities include a Sub Zero upright refrigerator/freezer, four-burner cooktop with under-counter oven, microwave/convection oven, dishwasher, trash compactor and double stainless-steel sink with garbage disposal. The dining area, adjacent to the galley, boasts a custom designed dining table with six chairs and stunning design soffits. A china cabinet provides convenient storage. For a more formal dining atmosphere, close the arched sketch faced pocket door and conceal the galley from view.

---

## Accommodations

---

Floorplan layout attached in pictures showing the layout. 4 Stateroom layout with 2 crew staterooms aft of the engine room. Master has a mid ship center line king bed. 2 Guest staterooms have Island Queens and the 4th Stateroom has criss-cross bunks. All above staterooms have their own heads and showers, plus there is a on deck day head-All staterooms have custom inner spring mattress'. Crew quarters have one stateroom with an island queen and another stateroom with upper & lower bunks- Single head and shower shared by these staterooms.

---
