This is the perfect example of a beautiful captain maintained vessel at the highest level. She is so easy to operate, you could literally move from a mid sized 30-40 footer into this joystick yacht no problem. She boasts three different joystick location, lower helm, upper helm and a cockpit docking station for easy maneuvering in tight quarters. This Prestige is not only beautiful and easy to run, but she is also very sea worthy and runs great in rough seas at a 24 knot cruise. The popularity of this brand is due to its excellent design, use of space, and 360 degree visibility from the Galley and Salon area. The current owners are moving out of state and have spared nothing to make sure the boat is ready for the next owner. **ALSO includes the Capelli tender on the hydraulic step. (which is like new!)**
