SPECIFICATIONS

Overview

1998 Sealine F-44 Flybridge located in Jacksonville, FL

Sealine has often been noted for their excessive styling, and the 44 Flybridge is a very distinctive yacht by the standards of her day. Built in England, she rides on a solid glass modified-V hull with moderate beam, a fully integrated swim platform and prop pockets to reduce shaft angles. Twin 370hp Cummins diesels cruise in the mid to high 20s and reach a top speed in excess of 30 knots

Immaculate condition. Fresh service. Turn key and squeaky clean. Under covered storage in a freshwater lake. Dual station. Two stateroom two head configuration. New upgraded bow thruster, Updated nav system. Recently upgraded interior w/leather seating. New Raritan electroscan sanitation system. Teak flooring and decking.

Full spec sheet available upon request.

Seller will consider smaller boat trade in.

Please call in advance for a viewing appointment.

Manufacturer Provided Description

The Sealine F44 Flybridge motor yacht has a traditional aft cockpit layout and offers four- to six-berth accommodation with forward and midcabins, plus a saloon. Recognizing the social side of cruising, the F44 combines both a functional and friendly layout. The extended flybridge includes a commanding helm position, two seating areas, plus an extendable sunbed and a sliding hatch to the cockpit. Molded stairs lead down to the cockpit which has U-shaped seating and access to the enormous storage lazarette. The full-width bathing platform has a swim ladder, a shower, and dedicated fender storage. The accommodation layout comprises a forward double cabin, and a double or twin midcabin, both with en suite toilet and shower. The saloon has all-round seating and a large adjustable dining table, as well as provision for an entertainment center and an additional fridge. The galley provides a hob, oven / grill, large fridge, twin sinks and room for a microwave. As with all Sealine motor yachts, there are carefully chosen fabric schemes including leather and Prima Suede choices to complement the internal woodwork. The deck layout is designed for safety and ease of use when moored or underway. Stainless steel windows and portholes enhance her quality appearance.

Exclusions

Owner's personal belongings.
