DETAILED INFORMATION

Decription & Highlights

Meet **IMPLUSIVE**, she is a gorgeous 2018 420 FLY Galeon powered by twin Volvo Penta D6-435HP engines with low hours, and has recently received new bottom paint. She also comes with a Seakeeper and Xenta joystick technology which makes docking a pleasure.

She boasts a beautiful master stateroom with en suite head and shower, two guest staterooms and a day head. Her salon/galley interior is one of the most spacious and well designed in her class featuring rich walnut and maple flooring. Her cockpit area has teak decking, plentiful seating and with just a switch of one salon seat and one door opening, her salon/galley and cockpit join as one. She has a stunning exterior and an exceptional flybridge outfitted with a refrigerator, sink, a sizable sundeck and a dining area for eight.

Contact David today for your private viewing of **IMPLUSIVE** and see what makes her the top of her class!

- Windows, bonded tempered glass (hullside) with integrated opening rectangular portholes
- Windshield, tempered & tinted glass (bonded), single pane forward glass
- Windshield defroster

Transom & Swim Platform

Step aboard **IMPLUSIVE's** expansive teak swim platform and prepare to be amazed as we tour this beautiful vessel.

Her hydraulic swim platform has a few wonderful features. As mentioned, it is roomy, allowing for safe boarding for you and your guests. When out on fun scuba adventures or just taking a relaxing dip in the gulf there are a set of stairs on the port side that automatically deploy as the platform extends out four feet and lowers into the water. There is also a concealed re-boarding ladder on the starboard side. It appears Galeon put special thought into this one area making your transition in and out of the water a pleasant and effortless experience.

Cockpit

Notice how the swim platform and cockpit areas flow together and continue with the same teak decking. Here, there is an L shaped seating arrangement for six to eight guests. Need more room or want to sun bath? No worries! A portion of this seating arrangement slides back allowing for more space or you can convert it to a sun pad. For even more room you can connect the salon and cockpit areas by opening and sliding the salon doors to the side, creating a seamless transition. But the possibilities do not stop there! Swing the back portion of the salon seating into the salon, put in a filler cushion in between and create even more seating to the cockpit. Now you have wrap around seating all the way from the inside out. Amazing!

Salon

Step into the beautiful salon. Here you have plenty of head room and you will notice the ceiling has Alcantara suede outlined in beautiful wooden highlights. There is plush U shaped seating, finished in raised stitching, for six and if you pull the side seating to the left over you now have seating for eight. There is a hydraulic dinette table, with beautiful inlay, which is expandable. You and your guests will have great conversations and meals here in this space while surrounded by low, wide windows allowing for great site lines to the horizon. Need extra sleeping quarters? Lower the table, add a filler cushion and you now have another berth. Directly across is the side seating area and behind it is a tv on a hydraulic lift.

Galeon is quite thoughtful when it comes to the little details, you'll notice such things as small leather inlays in the arm rests for your comfort, and edging on the shelves to make them more useful. This beautiful and multi functional area is all showcased with gleaming maple and walnut flooring, giving it the wow factor.

Carbon Monoxide Detector

- Flooring, carpet runners
- Foldable hi-lo wood dining table with cushion filler
- Hatch, secondary engine room access
- Lighting, overhead LED with square wood ceiling accent
- Outlet, 120V
- Seating, U-shape upholstered sofa with convertible aft segment and storage below
- Seating, opposing sofa
- Side windows, panoramic

- Stereo, Fusion 12V AM/FM with bluetooth module and two speakers
- Storage, side cupboard with plexiglass bottle holders
- Storage, shelf with stainless steel rail

Galley & Lower Helm

IMPLUSIVE has a handsome lower helm. Commanding her from here is a calm and pleasant experience when you tire from a day in the sun. Her single piece massive windshield provides excellent visibility and the drop down port and starboard windows are a nice feature. Here you have dual seating with built in foot rests, flip down arm rests and flip down bolsters. As usual, Galeon gives a special touch by placing walnut and maple inlay on the back of the helm seat.

Helm Features:

- 12 inch multifunction display •7 inch Volvo Penta EVC display •Raymarine Auto Pilot
- Bow thrust joystick •Rocker Switches •Engine Start/Stops •Digital Engine Controls
- Trim Tabs •Stainless steel & leather grab handles

Galley

The galley is well equipped with a convection oven, double burner electric stove, a double basin stainless steel sink, a refrigerator and freezer. Everything you need to entertain and prepare your meals. Storage is plentiful and being located close to the lower helm is nice so you can chat with the captain and enjoy the view while you prepare your meals.

Features: Cooktop, 240V two-burner induction Corian worktop and finishings

- Sink, twin stainless steel with chrome faucet and corian cover
- Lighting, overhead LED
- Microwave, 120V
- Outlet, 120V GFI Protected
- Refrigerator, 12V with freezer compartment (4.6 ft³ / 130L)
- Refrigerator, 12V drawer (1.1 ft³ / 30L)
- Storage, general cabinets and drawers

- Storage, cupboards with sliding plexiglass doors and stainless steel rail
- Trash receptacle with corian cover
- Window, electric opening sliding (port side)
- Wooden floor

Master Stateroom with En Suite Head & Shower

Head down the wooden staircase from the galley and you are now in the sleeping accommodations cabin with pristine berber carpeting.

The cozy and rich master stateroom is fully forward with wonderful natural light gleaming in through the hull side windows and the overhead seven foot long skylight. Can you imagine lying down for the evening and viewing a star filled night from it?

You will notice there is no shortage of storage as it surrounds this stateroom along with storage underneath the berth. There is a wonderful en suite head which includes port windows, a walk in shower and electric flush toilet. The door has a flush mount mirror which is such a great feature when getting ready for the day or for a dinner event.

All in all, this stateroom allows for great views and the amenities you need and want. Galeon continues to show off with rich craftsmanship and design here and it's a wonderful space.

Guest Staterooms 1 and 2

Both guest staterooms are quite inviting, each allowing for multiple sleeping configurations such as two twin berths or simply add a filler cushion to combine them. Both cabins are surrounded with an Alcantara suede interior, have separate climate controls, custom lighting and plentiful storage with hanging lockers. Your guests will enjoy retiring here for the evening and will get the best night's sleep in these cozy and comfortable areas. Right outside their door is the day head. Equipped with a shower and electric flush toilet.

They will wake refreshed and glad they came along with you!

Fly Bridge & Upper Helm

The Fly bridge is accessible from the port side of the cockpit area. You will notice the

stairway continues with the same teak decking as the cockpit and swim platform. Once up here you will enjoy expansive views of the sky and water and have the advantage for great dolphin viewing. As night falls, pull the bimini top back and enjoy a moon lit evening. There is J shaped seating for eight that wraps around the stern pedestal, a sink, refrigerator and storage. You even have the option to install an electric grill if you wish.

Commanding **IMPLUSIVE** from the upper helm is an enjoyable experience and there is a sun pad ahead allowing your "co-pilot" to be in close proximity.

Helm Features:

- 10 inch multifunction display •7 inch Volvo Penta display •Fusion Stereo •Raymarine Auto Pilot •Bow thruster •Rocker switches •Ignition start/stop •Trim Tabs •Digital engine controls •Fiberglass arch with foldable, stainless steel radar mast
- Hatch, flybridge access - watertight plexiglass
- Light, anchor / stern
- Lighting, indirect LED Outlet, 120V GFI
- Seating, large L-shape upholstered sofa with storage lockers below
- Seating, port double sofa adjacent to helm
- Speakers (2)
- Sunpad, forward of port double seat
- Table, fiberglass with drink holders
- Venturi wind deflector, plexiglass with 316 stainless steel rails
- Wetbar with fiberglass sink, retractable faucet and storage

Bow

Earlier we spoke about boarding your guests from the swim platform but there is also a second option for boarding at mid ship where there are opening gates with lifelines beneath. The side decks have LED courtesy lights and multiple grab rails. The rail height starts at 16 inches and increases as you go forward

As you reach her bow you will notice there are two large sun pads and both can convert into chaise lounges. This is the perfect area for sun bathing or watch the sunset.
