## Overview

---

Powered by two Cummins DIESEL engines with incredibly low hours, this bold and spacious Sea Ray 400 Express has a more narrow beam and higher level of luxury than her predecessors. Built on a deep-V hull with a solid fiberglass bottom, her two-stateroom interior offers comfortable accommodations for six, with a pedestal island berth and TV in the master. Her circular pocket door closes off the starboard sitting room, converting it into a private stateroom for guests. The shower has a separate stall with closing door; the fully equipped galley has a settee-dinette as well as a breakfast bar, and loads of storage. On the bridge, there's a double helm seat and comfy navigator's chair, as well as plenty of guest seating in sun or shade, and a full complement of electronics including 2 chart plotters and 2 VHF radios. Her sellers have taken meticulous care of this beauty, with new carpet, bottom paint, prop shaft stuffing, and batteries in 2018, new autopilot in 2019. Shop for groceries, bring your clothes, and set off on your next adventure!
