ХАРАКТЕРИСТИКИ

Обзор

Refreshingly different, reassuringly Riviera

Introducing a yacht that offers an extraordinary combination of comfort, performance, reliability, safety and value. The 45 Open features fully molded steps complete with teak treads and a storage locker underneath. The rear bulkhead awning window and door, both set in solid stainless steel frames, open out into the cockpit to create one living space between the saloon and cockpit. The saloon is one integrated living space, with the large gourmet galley forward with dining area opposite and a spacious and comfortable aft lounge.

We've included an electrically operated overhead locker in the saloon headliner for safe and convenient rod storage, while the finish on the timberwork throughout the saloon and accommodation deck is both impeccable and astonishingly durable.

The saloon is striking in its spaciousness, generous headroom, intelligent layout and warm yet contemporary fittings and furnishings. The combination of large tinted windows, handcrafted timberwork and rich leather seating is an invitation to relax and indulge.

There is no doubt that the Riviera 45 Flybridge excels on style, but it's a yacht with a strong heart too – the solid hand-laid fiberglass hull with its separate compartments and collision bulkhead forward are just two of the integrity features of its construction.

The Riviera 45 is a yacht that has it all ... and it is all here for you.

Основная информация

Тип судна: Моторная яхта

Подкатегория: Flybridge

Модельный год: 2020

Производитель: Caterpillar

Модель: C8.7

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Key Features

Luxury Accommodation- This is a three-cabin configuration, the master stateroom features an island queen bed and ensuite, a starboard guest cabin for two with Pullman-style bunks and a portside cabin with twin beds with an infill to convert to a double bed.

Molded Exterior Staircase- No ladder to the flybridge - the Riviera 45 has a moulded staircase between the cockpit and flybridge. Teak treads and LED courtesy lights for nighttime safety as well as polished stainless steel grabrails provide safety and comfort at sea or at anchor.

Generous Cockpit- A well-equipped, sizeable and ingeniously designed cockpit. Addressing two key end-users, for the game fisherman it is a well conceived and functional platform, and for the cruising family it is the social hub.

Spacious Interior- The rear bulkhead awning window and door open out into the cockpit to create one extended living space between the cockpit, saloon and galley. The saloon boasts generous headroom and intelligent layout. Watch the 32" LED TV, pop your iPod into the sound system, or enjoy the reverse cycle air-conditioning.

Gourmet Galley- Befitting a long-range cruiser, a generous U-shaped gourmet galley features solid-surface bench tops, large stainless steel sink, generous storage and an impressive array of appliances.

Hospitable Flybridge- The 'open plan' lounge comfortably seats six adults. Features include a lockable GRP hatch, a wet bar, independent sound system, optional fridge and state-of-the-art helm station.

Innovative Rod Storage- Safe and secure too. The electrically operated lockable overhead rod storage in the saloon headliner provides the ultimate safe and convenient tackle locker.

Increased Hull Performance- The Frank Mulder-designed computer CAD-CAM precision hull offers startling performance characteristics; the propeller 'tunnels' provide greater forward thrust while the exceptional hydrodynamics means it is quick to plane, stable yet delightfully responsive, and truly robust.
