SPECIFICATIONS

Overview

M/Y A&A is a 28.12-metre motor yacht built and launched in Italy in 1974 by CRN Spa and designed by RIVA. She is one of the best maintained classic yachts in this category available today on the market. The traditional and stylish interiors accommodate up to 10 guests in five cabins, consisting of a master suite on the main deck, a VIP suite, two twin cabins with two single beds and a lovely kids cabin with a bunk bed. All cabins have en-suite bathroom facilities and a TV. A Rina certificate was issued in 2018, and she has undergone extensive refits in 2016 and 2018. Most of the systems have been upgraded, including and not limited to two Kohler generators, Yanmar engines 830hp each, a new air conditioning system, new stabilizer fins, new navigation instruments, new mast and antennas. In addition, there are quarters for four crew members and a laundry area at the bow. The open space in the flybridge with a bar, a large forward area, covered with cushions and the open cockpit make this yacht perfect for enjoying life out at sea.
