Manufacturer Provided Description

The Carver 350 Mariner continues a tradition of stylish excellence while enjoying the structural updates that were put into place with the year 2000 models. The 350 features extra wide gunnels for safe and convenient access to the bow. And, like its predecessors, the 350 provides bridge access from both topside and below. The bridge has seating for eleven people, an optional wetbar, and volumes of storage. Step forward and find the best seat in the house - a doublewide foredeck lounge that quickly converts to a sunpad. Below deck, the Carver 350 Mariner has a single-level cabin that creates a spacious atmosphere filled with entertainment options (including a 20-inch TV and VCR). Forward, the master stateroom has a double berth with access to the head. Aft, the salon features a sofa bed and a convertible dinette. Options like a coffee maker, microwave, dual voltage refrigerator and a two-burner electric stove help make the Carver 350 Mariner feel just like home.

Engine Notes Crusader, Cummins and Volvo available.
