Manufacturer Provided Description

The more similar the things are, the more important the differences. When can a flybridge be described as "beautiful"? This is the question to which, for a long time, the designers answered: "when the shape follows the function." Unfortunately, boats have more or less the same functions, and even at an aesthetic level they have started to become more similar. Today, mere functionality isn't enough: It's often the charm of a particular design or detail that captures our attention, creating a deep emotion within us. We work day after day to produce this emotion, measuring ourselves against the successes obtained and the new ambitious goals to be reached. Cranchi Flybridge's are safe, reliable boats built using the most modern technologies and high quality materials. The great company know-how can be seen in the impeccable working of the fibreglass, in the absolute precision of the robots that operate in the Gelcoat spraying phase, in the onboard plant engineering, where the strict industrialised planning doesn't leave room for any omissions. But it's in the refinement of the trimmings skillfully carried out by our "specialists", that the difference between a cranchi and the other boats becomes unbridgeable.

Additional Description

- Self-draining cockpit
- Foldaway service sink
- Rolling rubber hose
- Small rubber hose to wash engine room
- Side accommodation for water proof jackets
- Buckskin, sponge and bucket
- Fire extinguisher
- N. 4 mooring lines
- Divan with locker

- Teak table with 2 chairs

- Step for access to side deck teak laid
- Cockpit and swimming platform floors teak-laid
- Foldaway swimming ladder with folding retrieval handle
- Storage locker on swimming platform with teak-laid hatch
- Shower with mixer
- 230 V shore power socket with shore power cable
- Pressure reducer
- Lighting

Additional Description

Interior Finish

- Furniture in male-oak and wengé
- Glossy laquer
- Galley and toilet work tops made of Corian®
- Fabrics: cotton, leather, Alcantara®
- Internal compartment dividing walls made specifically for noise absorption, insulation and lightness

Additional Description

- N. 2 batteries of 160 amp. 24 v. for the engine
- N. 2 batteries of 200 amp. 24 v. for services
- Power utilities provided with magnetothermal protectors
- 32 Amp./h socket for shore power
- 7,7 kva generator with own battery charger and own battery switch and muffler
- 35 Amp./h automatic battery charger
- 230 v. power sockets
- Protector with differential fuse and individual surge protectors on all utilities
- Galvanic isolator
- Electrical panel switch for shore power/on-board generator
- Complete cathode electrolysis protection for engines, fuel tanks, sea-intakes, rudders etc.
- 63 amp/h windlass magnetothermal protector
- Automatic battery switches with electrically controlled cut-in /out

Additional Description

- Corian® worktop
- Stove-top with 2 electric hotplates
- S. steel sink with mixer
- Microwave and grill oven
- Lt. 190 refrigerator with power switch for 24/230 V
- Dishwasher

- Waste bin
- Cutlery drawers
- Cupboards and cabinets for stowing crockery
- 230 V power socket
- Water level gauge
- Set of crockery and cuttlery, and glasses (6 pp.)
- Saucepan set

Additional Description Bilge Pumps

- 1 automatic electric pump 120 lt./min. with manual switch for cabin compartment
- 1 automatic electric pump 120 lt./min. with manual switch for engine compartment
- 1 automatic electric pump 120 lt./min. with manual control for stern storage compartment
- 1 hand pump for engine room
- 1 hand pump for the cabin compartment
- Bilge micro suction system in engine compartment.

Fire Extinguishers

- N. 2 automatic fire extinguishers in engine compartment
- N. 1 manual fire extinguisher in the cabin
- N. 1 manual fire extinguisher in the cockpit

Additional Description

- Access to engine compartment and fuel tank via cockpit and saloon hatch with s. steel ladder
- Engine room sound proofed
- Engines installed on anti-vibration and s. steel transverse supports
- Stainless steel side air vents for compartment ventilation
- S. steel mufflers
- Underwater engine exhaust gas system with by-pass for better dispersal of exhaust fumes
- Ventilation
- Engine compartment lighting
- Portable emergency lamp
- direct-shaft with s. steel shafts and AB2 alloy counter-rotating propellers
- Balanced AB2 alloy rudders
- Oil-hydraulics shaft gland with A.V.S. Joint (anti-vibration-system)
- Water and rubber hose connection to wash the engine room

Additional Description

- Removable bow extension
- Bow storage locker for mooring lines
- Anchor winch remote control

- 1200 W electric winch with control (flybridge) with winch for retrieving lines (warping bell)
- Chaincounter on flybridge helm position
- Water connection for chain washing
- 20 kg. Bruce anchor ? 50m/10mm chain
- Shower on bow
- Bow sun pads
- 5 kW bow thruster
- Hydraulic passerelle with remote control
- 2 bow, 4 spring, 4 stern AISI 316 s. steel cleats
- S. steel pulpit with front opening, and s. steel filiere
- Bow fender holder for n. 6 felders
- S. steel deck handles and guardrails
- S. steel rubbing band
- Directional searchlight
- Horn
- Dual s. steel fuel filler caps
- Dual fuel tank air vent with anti-flame /anti-spray net
- S. steel water filler cap
- Dual water tank air vent
- S. steel port and starboard discharge suppers
- Navigation lights
- Bow and stern ?U? hooks
- Hydraulic trim tabs
- Moulded non-slip deck
- Owner?s manual
