SPECIFICATIONS

Overview

If you're in the market for an express cruiser this Regal 4060 is a MUST SEE!!! She shows like a new boat, has low hours, numerous upgrades and features upgraded IPS drives that make docking a breeze and bump up performance; with a super smooth ride, she goes faster on less fuel. Above deck and below Lagniappe is roomy, with tons of seating and two private cabins with ensuite heads. Add the large swim platform with a walk through transom and foredeck sun-pad, and this is a fantastic boat across the board. Whether taking the family out for a day of fun on the water, enjoying an evening cruise with friends or living aboard on an extended cruise; Lagniappe delivers! You won't find a finer express cruiser in her class anywhere! Call today to book a showing!

REGAL 4060 - LAGNIAPPE - WALKTHROUGH

Swim Platform: The swim platform is oversized and perfect for water sport activities. A stainless steel, stowable swim ladder makes it easy to climb aboard after a swim, ski or

inner-tube ride. When back aboard you can rinse off with the hot/cold shower and manage the tunes with the stereo control. Two transom lockers are accessible from the swim platform, with secondary access is found under the aft cockpit seats. Cockpit: Entering the cockpit from the swim platform, one step up, via the starboard side walk-through transom, you immediately find light and engine room hatch switches to port. Directly ahead is the wet bar, featuring a sink, chill compartment, icemaker, integrated trash receptacle and the Kenwood stereo controls. To port is the aft section of the cockpit features an L-shaped seating area spanning the stern and port side of the boat. Cup holders, a grab rail and cooler nook are found forward, with access to the transom lockers found under the seats. A hatch in the deck provides quick access to the engine room, while the entire aft seat and deck can be raised by electric motor for full access to the engine room from the swim platform. Moving forward one step up, a large carpeted circular seating area, with removable table, is found to port opposite the wet bar and helm. The salon companionway is located on the forward cockpit bulkhead, center, next to molded-in steps leading to the foredeck via walk-through windshield. On the starboard side the helm features a double seat with bolster and all the electronics and instrumentation needed to safely navigate the boat, plus remote controls for the trim tabs, search light, anchor windless and stereo. A hard top with aft canvas extension protects cockpit from the sun. Full enclosure curtains and air conditioning keep the cockpit comfortable on rainy and hot days alike. Throughout the very spacious cockpit you will find stereo speakers, cup holders, plus overhead halogen and deck lighting. Foredeck: The foredeck, surrounded by stainless steel railing, features a large sun pad, with adjustable back rest, cup holders and hand holds. A large anchor locker is located at the bow containing an electric windless, cleat, washdown hose and fender storage. The anchor is secured in a below deck bow mount and a spot light is found on the deck at the bow. Salon: With 6'8" of headroom the salon is large and roomy. The area is richly appointed with leather seating, high gloss cherry cabinetry, hardwood sole, Yamaha surround sound entertainment system, indirect lighting and reverse cycle air conditioning. Entering the salon from the cockpit five steps down, the entertainment center and galley are to port, with a large settee to starboard. The settee features retractable leg rests and a folding leaf, high gloss, hardwood table. Opposite the settee the entertainment center features a flat screen TV, Yamaha surround sound system and Yamaha DVD player. Yamaha speakers are found throughout the salon. Along the aft bulkhead on the starboard side there is a liquor cabinet with shelf, topped by a mirror and electrical panel cabinet. The companionway to the aft cabin is found on the aft bulkhead portside. There are 3 opening ports with a full length accordion shade along the starboard side. An opening hatch is found overhead along with dimmable halogen lighting. Galley: The galley is located in the aft port section of the salon and features high gloss cherry joinery, a side by side refrigerator freezer, 2 burner ceramic cook top under a slideaway countertop insert, stainless steel sink, microwave (cabinet mounted), coffee maker and generous storage cabinets above and below. There is an opening port w/louver blind behind the sink on the port side and an opening hatch above. The galley is completed by overhead and over counter lighting. Forward Cabin: The private forward cabin is accessed via a pocket door in the forward

salon bulkhead. A large queen berth is offset to the starboard with step access to port. Shelving and two opening ports with curtains are found on the port and starboard sides. There is an opening hatch and halogen lighting overhead, with a fan, mirror and reading lamp mounted on the forward bulkhead. Two cedar lined hanging lockers are found port and starboard with additional storage found in lockers and drawers under the berth. A flat screen TV and DVD player are mounted on the aft starboard bulkhead along with AC Controls. Entry to the ensuite head is found on the port side aft. Forward Ensuite Head: The forward ensuite head features a separate shower stall with bench seat and an adjustable height shower wand. The vacuflush marine toilet is opposite, with the vanity area in-between featuring a Corian countertop with sink and an opening port with louver blinds behind. A mirrored medicine cabinet is found above the sink with a hairdryer and dual towel racks mounted on the forward bulkhead. A full length mirror is mounted on the door. Overhead there is a skylight port w/privacy shade and halogen lighting. Aft Cabin: The private aft cabin is accessed via a pocket door in the aft port salon bulkhead. A vanity is found on the port side with two twin berths on the starboard. The ensuite shower/head is aft. The vanity includes, a Corian countertop with sink with an opening port and louver blinds behind and a mirrored medicine cabinet above. Opposite on the starboard side the twin berths can be converted to a single queen berth. The cabin features a flat screen TV with DVD player, fan, AC control panel, three reading lamps and overhead halogen lighting. There is an opening port with curtain on the starboard side above the berths. Storage is provided by a cedar lined hanging locker, top mounted lockers above the berths and under berth lockers. Aft Head: The private aft head is found next to the aft cabin vanity and doubles as a shower. The head features a vacuflush marine toilet, an adjustable height shower wand, a shower curtain, towel rack and full length mirror mounted on the door. Engine Compartment: A motorized hatch raises the stern seating section for easy access to the engine compartment from the swim platform. Twin Volvo Penta Diesel engines, IPS drives, a Kohler generator, battery banks, tankage and the related mechanical systems are all located here.
