# SPECIFICATIONS

---

## Overview

---

"Sea Dance" is a clean example of the fast, reliably powered and popular enclosed flybridge sportfisherman. This supersport model has been used primarily for skin and scuba diving and spearfishing in the Virgin Islands by the yacht's owners of the last 13 years. The fact that the owners haven't used the vessel for fishing and trolling account for the low (1291) original engine hours. "Sea Dance" is clean, has been well-maintained and shows well for a vessel of 2002 vintage.

TV's and most of the navigational electronics are dated but the yacht is priced to sell and is well worth buying.

## Basic Information

---

# DETAILED INFORMATION

---

## Walk-Thru

---

Forward from the large fish-fighting cockpit, one enters the spacious **Salon**. Features of the salon include new carpeting throughout, a large "L" shaped settee aft on the port side with a spiral staircase just forward which leads up to the enclosed fly-bridge. Upgraded silhouette blinds add elegance to the main salon and beautifully fit and finished teak paneling and cabinets run the length of the starboard side and an entertainment center is housed all the way forward.

"Sea Dance" features the **Galley-up** interior layout with a dinette just up one step and forward of the salon. Forward and down from the galley/dinette is the accommodations deck which features three (3) double staterooms and three (3) heads. This layout features a laundry center, king-size bed in the master's cabin, queen-size berth in the VIP and twin/single berths in the second guest's stateroom.

An **Enclosed Fly-bridge** is accessed via a spiral staircase leading up from the Salon. This area is air-conditioned and provides a quiet, dry and comfortable ride for owners and guests. Features of this area include a center-line helm station, dual Pompanette Prestige model pedestal mounted helm chairs, L-shaped settee and wet bar with ice-maker.

---

## Electronics

---
