Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3126

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Great styling has long been a Sea Ray trademark, and while few American sport boats are as glamorous as their European counterparts, the quality found in late-model Sundancer is second to none. Built on a fully cored deep-V hull with a wide beam, few imports can match the spacious interior of the 380 Sundancer with her superb galley (including a full-size refrigerator), excellent storage, and wide-open floorplan. The layout is typical of most Sundancers with double berths fore and aft and a sofa in the salon that converts to a double berth for extra guest. The midcabin stateroom serves as a conversation area during the day, then converts into a bed at night. A door separates the forward stateroom from the main cabin, while a curtain provides privacy for the midcabin. On deck, the spacious cockpit provides wraparound seating for 6-7 adults and comes with a wet bar, fender storage, and a removable table. An electric hatch provides access to the engine compartment.
