DETAILED INFORMATION

Description

This 2000 model Grand Banks 49 Eastbay HX that sleeps four comfortably in two staterooms, with the forward master featuring island berth and ensuite head with stall shower and guest stateroom to port with 2 single berths and guest/day head to starboard. The helmdeck features custom Strataglass enclosure with separate privacy screens, helm station with full electronics including two color GPS/Ploppers and much more. She offers a spacious U-shaped galley, large settee with storage below, natural ventilation with opening ports, overhead hatches with screens, reverse cycle air conditioning/heat. She has been maintained to a high degree by her knowledgeable owners.

Exterior Equipment

Features a very large cockpit with aft-facing seating, 3 large lazarettes, transom door to access the swim platform and engine room access through a large opening lift-up door which allows you to easily walk below into the engine room. Going forward, there are full-width sidedecks and stainless steel handrails leading forward on both port & starboard, which make accessing the foredeck extremely easy and safe. There is a large, stainless steel anchor roller with stainless steel Anchor and chain. • Air horn • Anchor chain locker • Anchor roller platform, stainless steel • Ball valve on thru hull above waterline, bronze • Chocks and mooring cleats, Stainless Steel • Deck fittings: diesel fuel/water and waste pump-out • Dorade boxes, teak • Engine room hatch, hydraulic/electric • Engine room vents • Flagstaff holders, bow and stern • Flagstaffs, teak, bow and stern • Foredeck locker • Grab rails, Stainless Steel • Rubrail, heavy-duty vinyl with Stainless Steel insert • Safety rails, stainless steel • Seat/storage box, molded with cushions • Toe rail, teak • Trim tabs • Vents for fuel and water tanks • Windlass, low profile, 12 volt • Deck, side and fwd house top with painted Moondust non-skid • Inspection deck plate for fuel tanks, Port and Starboard • Mast, aluminum • Skylight hatches

Helm Deck

Enter the helm deck from the cockpit. There is a large L-settee on the port-side with storage below. There is a straight settee to starboard with storage below. Forward of the settees are two custom forward facing seats, to port a double, and to starboard a single pilot seat. Outboard of each bench seat, there is a custom-built teak storage area for binoculars, cell phone, etc. Forward of the starboard bench seat is the helm, which features Caterpillar electronic and analog gauges. Above the engine panel is the

Himalaya containing most of the electronics, including two stand-alone chart plotters. On the port-side, forward of the bench seat, is a bar featuring glass storage, bottle storage, and a Corian cutting board integrated into the opening front door; a large chart locker sits on the cabin top forward of the bar. The port bench seat has a U-line icemaker underneath and the starboard bench seat has four storage drawers. The aft area of the helm deck is enclosed in polycarbonate. The aft section can be simply unzipped at the bottom and lifted up to the helm deck overhead for additional ventilation. There are two 16,000 BTU Marine Air ale units in the helm deck.

- Double wide companion seat to Port
- Captain chair to Starboard
- 3 drawers below helm seat
- Storage below all seats
- Strataglass enclosures with separate privacy screens
- Hardtop with opening side windows
- Chart cabinet
