Overview

PRICE REDUCTION!!!

All freshwater boat!

Tired of kicking tires on boats that don't measure up? Check this one out! She is legitimately loaded with options (V-Drives, Sat TV, bow thruster, hydraulic swim platform, extending sunshade with enclosure, underwater lights, autopilot, and upgraded sounds system) and very clean.

She also offers some of the more common options Sea Ray offered on this model (generator, Jensen dropdown TV in the fwd bed with DVD, under swim platform lights, and transom rumble seat). She is striking to the eye with her integrated hard top and black hull, and is one of the few Sea Ray's of this vintage to offer a walkthrough windshield. This hull is believed by many to be one of Sea Ray's better running hulls in this size range/vintage, she planes nicely and offers a very comfortable ride at cruise. We believe this engine package is an appropriate match for this hull. We like that here the entire cockpit is on the same level and that the helm seat swivels to face aft when the boat is at rest. We believes this feature brings everyone together providing an opportunity to relax and connect!

WOOD KNOT features include (but are not limited to):

- Teak floor in the head *UPGRADE
- Teak fold up/down toilet seat cover in the head *UPGRADE
- Teak floor in the galley *UPGRADE
- Custom shelving (upper cabinets in salon) *UPGRADE
- JL audio cockpit speakers *UPGRADE
- Twin Mercruiser 8.1S Horizon with DTS V-Drives at 370 hp each (approx 445 hrs)
- 5kW Kohler generator
- Bow thruster
- Hydraulic swim platform
- Ocean LED blue underwater lights and under swim platform lights
- (2) Xtreme bilge heaters
- Satellite TV
- Raymarine ST70+ autopilot with a 5-inch display
- Raymarine E-120W hybrid touchscreen Radar/GPS/Plotter/Sonar
- Upgraded sound systems with Sirius Satellite Radio
- Kenyon cockpit grill
- Norcold cockpit refrigerator
- Full VacuFlush head and stall Shower

- Custom bow sunpads with back rest
- 2-burner Kenyon stove top
- Hard top with custom aft canvas extension and custom enclosure (black)
- Helm and cockpit covers
- Quick windlass
- Central vacuum system

...and many more!!!

Vessel Walkthrough

Approaching the boat from the dock, one immediately takes notice of the expansive area Sea Ray engineered to take advantage of on the water time, this is enhanced by the optional hydraulic swim platform with built-in retractable chocks, under swim platform lights, aft facing JL speakers, and the optional rumble seat that folds down to enjoy this area. The gorgeous lines of the boat are enhanced by the hardtop which is unique for a boat this size. Quite simply the lines on this boat are striking. The boat has custom aft canvas with a custom enclosure that extends the shaded area on the boat while also providing more functionality. Entry into the cockpit is via the cockpit door located on the STBD side. As you walk through on the STBD side cockpit entry, there is a stainless steel covered hot and cold hand shower, and a sizable storage compartment in the aft STBD corner. Immediately to port there is a large L-shaped seat. There is a mount in the floor just in front the L-shaped seat so that the cockpit table can be used in conjunction with this seat. Forward of the cockpit entry to the STBD side is a step that gives access to the STBD side gunnel; forward of the step is the well optioned wet bar with sink, Norcold under counter refrigerator, and Kenyon grill with the upgraded LG TV just above it. You will notice a well-thought-out sound system throughout the boat... as you look overhead there are JL speakers in hardtop as well as placed throughout the cockpit, and a cockpit subwoofer. The forward portion of the cockpit is outfitted with helm station that has three forward facing built in chairs. The two chairs on the STBD side rotate so that when not being used to navigate, you can rotate them so they face the aft port corner of the boat and enjoy what is going on in the cockpit. This makes for a very versatile platform. The helm is well found.

Unobstructed view of the bow, a dashboard complete with SmartCraft gauge, Raymarine E-120W, Raymarine ST70+ autopilot with large display, the DTS electronic shift, bow thruster control, and VHF radio. This is one of the few Sea Ray boats in this size range that offers a walkthrough windshield that allows you to gain access to the bow from the cockpit without walking up the sides of the vessel. At the end of the day, this area can be covered relatively easily by a custom outfitted cockpit cover.

Access to below deck is gained via a centerline to port sliding door. There are four teak/holly steps down to the salon and galley. The entire lower deck area is outfitted with wood floor that offers a nice contrast to the cherry wood cabinets. At the base of

the steps to port is the head with a custom teak inlay floor, custom teak toilet seat cover, and VacuFlush toilet. Just fwd of the head on the port side is the galley that offers amenities such as solid surface countertop with stainless steel sink and faucet, 2-burner Kenyon, LG microwave, under counter Dometic refrigerator with freezer, and Isotherm coolbox. Counter space is abundant and there is storage above counter tops as well as under the galley sink. To the STBD side of the salon is a large sofa that converts to sleeper. There is an oversized forward facing TV in the aft STBD corner of the salon. Aft of the salon is the midcabin that features wood floor, TV with DVD player, and a curtain that drapes across it for privacy. The midcabin makes a double bed for additional sleeping arrangement.

Forward of the salon is a double bed that offers an electric tilt feature to it. The tilt feature creates back rest for enjoying your favorite TV shows, reading the morning paper or posting all the fun photos from your day on the water to Facebook (I kid, I kid). It also has dropdown Jensen TV with DVD player. The forward berth is flanked by decorative wood panels that hide the curtain that you can pull across the bed for privacy. Overhead storage bins line both port and STBD sides as well as two hanging storage lockers towards the foot of the bed.

In short, she is clean, well optioned, handsome, and very appropriately sized for the lake!

Exclusions

Owner's personal belongings.
