# SPECIFICATIONS

---

## Overview

---

The 75' Yacht was conceived to offer the same basic specification as the 82, only with more compact proportions. This has resulted in a combination of superb handling - usually seen on smaller craft - and the same levels of luxury as her larger sisters. This 75 offers a spacious main saloon with panoramic views.

## Basic Information

---

**Category:** Motor Yacht

**Model Year:** 2005
