## Overview

---

"Bears Den" has to be one of the most up to date and upgraded 52' Vikings on the market! She has benefited from a numerous list of the latest upgrades available from her extremely knowledgeable owner. Recently a SeaKeeper 9 was installed in 2018 among a long list of other upgrades. Her sleek lines and performance separate this 52' Viking from the rest. An easy 29 knot cruise at 1850 RPMS and her new Garmin electronics will take you anywhere as she sits in "Turn Key" status. Newly varnished interior (2018), new headliner, and new carpet throughout update this vessel to todays standards. This is a very rare opportunity to find a 52' Viking like "Bears Den". Call today to arrange your private showing.

## Basic Information

---
