## Overview

---

Built by the Dutch masters at the prestigious Amels shipyard, SARAH was designed by the highly acclaimed, multi-award winning Donald Starkey, with a handsome blue hull. At 62m long, with a beam of almost 12m and 1,370 gross tonnes, SARAH has huge volume with 9 guest staterooms and an array of indoor and outdoor social areas. Still under her original ownership and with a strong charter record SARAH has great appeal and flexibility for an owner or charterer travelling with family, friends and multiple staff. The 9 guests suites are comprised of a full beam master with super-kingsize bed on the main deck, 4 further queen double staterooms (2 on the main deck, & of which can be used as a private office to the master, and 2 on the upper deck) and 4 twin staterooms on the lower deck, all ensuite. There is outdoor dining on the main and bridge deck aft, an open plan main salon, formal dining area, spacious skylounge and a vast sundeck with a bar and secluded jacuzzi area forward. SARAH is well maintained year-long, with a permanent crew, to be in charter ready condition each summer, with most recent upgrades including a full hull repaint in 2016, refit of the vista/sky lounge and carpet replacements.
