SPECIFICATIONS

Overview

The Maxum 4600 SCB has an aerodynamic design that eases this graceful craft onto a plane quickly and smoothly. Superb tracking and a smooth, stable ride result in easy handling, comfort, and safety. The command bridge station features a double-wide adjustable helm seat plus 360-degree visibility for precision dockside handling. A fully functional entertainment center is conveniently located on the bridge and features a molded-in sink and faucet. The L-shaped lounge provides comfortable space for guests, with stowage under. The interior has abundant headroom, elegant detailing, and rich textures. There's Berber carpeting, Corian surfaces, and Ultraleather coverings. Muted colors and rich woods are accented with strategic lighting, and soft curves echo the sleek design of the exterior. The midcabin provides twin-size berths, a 110-volt outlet, and an illuminated cedar-lined closet.

The Maxum 4600 SCB features major refinements and subtle enhancements whose overall effect is one of great comfort, and aesthetic satisfaction. In the salon, there is top-notch entertainment with a flat-screen TV and entertainment center.

European design influence can be felt everywhere, from the cherry finishes on cabinetry, to other touches throughout, right down to knobs, handles, and surfaces - all promoting a clean, ultra-contemporary look. The luxurious queen-sized berth forward and the full-sized mid berth are complemented by hanging lockers, stowage cabinets and locking doors. The two fully molded fiberglass heads boast VacuFlush toilets, enclosed shower stalls, mirrored medicine cabinets, vanities, sinks and exhaust fans.

DETAILED INFORMATION

Accommodations

The Maxum 4600 SCB is a two-stateroom and two head design. The master stateroom is forward and features a center-line island queen berth, hanging lockers and ample drawer storage. The master head is aft and to port side, dedicated to the master stateroom and features a large shower/tub, a privacy door, and Vacu-Flush head.

The guest stateroom is to starboard and features two split single berths with a filler cushion. The guest head is forward with a stall-type shower and Vacu-Flush head and is accessed by a privacy door.

The salon is bright and open with tons of natural lighting. The salon is dominated on the starboard side by a large crescent-shaped sofa with Hi-Lo table aft, and by a large dinette forward. Opposite of the sofa is an entertainment center within cherry cabinetry includes a flat-screen TV, a stereo system with speakers. The galley is opposite of the dinette, forward of the entertainment center.
