SPECIFICATIONS

Overview

This 48' Ocean Super Sport won't disappoint. Numerous upgrades to a Vessel that has been spectacularly maintained!!

This 1997 Ocean Yachts 48 Super Sport is a beautifully designed boat with a streamlined deck and superstructure, built-in hardtop over the flybridge with a full enclosure and a well-designed interior layout. The spacious three stateroom floorplan is comparable to one that would be found on a larger yacht. Fast for a boat this size.

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Interior Layout

You enter the salon from the cockpit via a sliding glass door to starboard. As you enter, immediately to starboard is a wet bar with sink. It is conveniently located to entertain guests both in the salon and in the cockpit. An upholstered, barrel-type, swivel chair is just forward of the wet bar.

To port and directly across from the wet bar is a comfortable L-shaped settee with a table that features adjustable height and expandable leaves. The well-equipped galley is just forward of the settee. A low-profile counter separates the galley from the salon, but maintains the open layout and allows the chef to interact with the guests.

A small dinette is located to starboard and directly across from the galley, which is convenient for ease of serving. Above the dinette is a built-in entertainment center.

Continuing forward, you descend four steps down to a central hallway. Immediately to starboard, there is the private entry into a guestroom tucked under the salon area with a double berth and built-in storage and locker space.

Directly across the hallway on the portside is the master stateroom with private head. The master features a queen-sized berth, lots of storage cabinets, ensuite head with a huge enclosed shower with bench.

Continuing forward in the hallway, there is a storage cabinet to starboard that houses a stackable washer and dryer. Next, to starboard is one of two entry doors into the guest head. Finally, the hallway ends at the private entry into the VIP guest stateroom. This cabin features a center-line queen berth with lots of built-in storage cabinets, a TV and a private entrance into the guest head.

Salon

- L-shaped sofa on port side with adjustable height table w/folding leaves
- Wet bar w/sink
- Barrel swivel chair
