## Overview

---

Built in 2004 by the French JFA Yachts, the beautiful 84' catamaran Azizam (formerly named Rose of Jericho) underwent major refits in 2012, 2016 and 2018, receiving among the rest a new interior, full repainting, new electrical components, machinery upgrades and a MCA security equipment survey. Thanks to these substantial refits, the catamaran is now up to date both mechanically and aesthetically, presenting a fantastic opportunity for anyone looking for a turn-key yacht. Designed by Joubert Nivelte, her luxurious interior and exterior are styled by Pierre Jacques Kubis. Azizam has proven herself a successful long-distance vessel completing several round-the-world cruises, performing the transpacific portion of the journeys with an average speed of 14 knots. The continued investment of her experienced sailing owner ensures she is perfectly equipped for ocean-going and challenging offshore cruising. She can accommodate up to 6/8 guests in 4 double cabins, all with en-suite facilities and air-conditioning. Timeless interior, beautiful furnishings and sumptuous seating feature throughout to create an elegant and comfortable atmosphere onboard. Azizam has an impressive charter record thanks to the exceptional crew.
