# DETAILED INFORMATION

## Overview

**Performance** The Delta 40 Walk Around is the ultimate option for those looking for a family-friendly, fast, seaworthy, and comfortable boat that can be enjoyed in any weather, all year round. With her advanced, stepped hull form, incredible rigidity and light weight, the 40 Walk Around responds immediately to helm inputs up to 45+ knots at standard power. And with the standard joystick controls, docking maneuvers are a breeze. **Navigation** The interior helm is expertly designed with all necessary functions within easy reach of the operator, and with room for a large navigation screen. The 40 Walk Around includes an aft-access flybridge with three-post seating and controls for all major systems + navigation for ideal weather conditions. **Construction**
