SPECIFICATIONS

Overview

The Delta 26 Open is designed inside and out to combine ease of handling for the new boater, and performance to satisfy the most seasoned yachtsman. The amenities offer comfort and usability for all of your friends and family. The 26 Open is the ultimate supertender. The extreme lightweight and fast speed combine seamlessly for an all-conditions competency not found in any competing tender. The efficient and seaworthy hull design makes the 26 Open a fast, comfortable, and supremely capable work of art. She is also stiffer, stronger and lighter, allowing her to use smaller engines and drives yet remain faster at cruise and top speeds than aluminum, steel or traditional GRP vessels. The design optimization yields impressive fuel economy at all speeds, without compromise.

Basic Information

DETAILED INFORMATION

Overview

Optimized Layout By utilizing computer aided design and computational fluid dynamics to optimize strength, space planning, and hull form efficiency, every Delta Powerboat is stronger, lighter, faster, and more efficient than her peers. By employing a range of talented craftsmen and craftswomen in the construction process and pairing their efforts with the best in fabrication technology from CNC shaping to vacuum infusion, every Delta Powerboat delivers robustness you can feel. There is a tactility that pleases your senses, and a feeling of overall quality that the modern boater desires and achieves with delta. The 26 Open delights her owners with bespoke quality in her every detail. By combining aerospace technology with hand-built construction, the Delta 26 Open delivers custom-fitted luxury and incredible durability in one vessel.

Construction

- Ventilated, stepped deep-V hull
- Hull/frames vacuum infusion laminated with fiberglass/vinylester/divinycell
- Bulkheads vacuum infusion laminated with fiberglass/vinylester/divinycell

- Czone electrical system with digital switching
- Mastervolt AGM batteries (2), 90 AH / each
- Bilge pumps, 1 automatic and 1 manual
- 12V & USB outlets
- LED navlights

Cabin The cabin aboard the Delta 26 Open comes replete with luxury foam mattress and removable topper, hanging closet, copious amounts of carefully designed storage, hidden charging ports, and the finest bookmatched, hand-selected teak veneers over advanced strong + light cabinetry. The ensuite head is standard with toilet, Duravit sink, Vola faucet, mirror, towel racks, and additional storage. Although the 26 Open is the smallest in the Delta line, her cabin's careful design leaves her feeling spacious and inviting; perfect for all day trips and overnight adventures. **Galley** When you reach your destination, the Delta 26 Open continues to delight with a thoughtfully designed and highly functional galley hidden under the helm bench. Owners enjoy a propane stove, sink and faucet, complete set of glassware, dishware, and flatware, teak cutting board, integrated (and removable) trash bin, and refrigerator with freezer compartment. Never has a 26-foot day boat been so functional and effortless. **Included Options**

- Bimini top
- Shorepower including charger
- Bose sound upgrade
- Water heater
- Antifouling (primer x2 and paint x2)
- Baby blue hull color

Delta Powerboats Delta Powerboats are designed and built in Scandinavia, integrating thoughtful, purpose-driven design with unparalleled craftsmanship and the finest materials. The end result is a luxury yacht that is simultaneously avant-garde yet classic.
