SPECIFICATIONS

Overview

This custom 88 foot "Mini-Megayacht" offers all the safety, luxury, and comfort normally found on larger transatlantic motoryachts while being able to be efficiently operated by a relatively small crew. Designed by world-renowned naval architect Bill Dixon and produced with the oversight of award winning project manager and captain Mark Poirer "Chillin" really stands out in her class! The vessel is built to the highest safety requirements using the best available equipment. Featuring a third deck, again rather unusual for a yacht this size, Chillin has a comfortable wheelhouse and elegant sky lounge. The interior is finished in a luxurious high gloss American cherry wood and marble. The soft goods are timeless and warm creating a very tranquil and relaxing interior space.
