SPECIFICATIONS

Overview

This innovative flagship of the Dynamiq GTT range, the GTT 165 (50m), is designed for those seeking ultimate relaxation. Six spacious staterooms accommodate 12 guests, with the impressive owner's suite featuring two side structural balconies and a freestanding bathtub for private moments at sea. The GTT 165 boasts unique Maldivian-inspired interior styling with an exclusive selection of furnishings and accessories from Bottega Veneta. From indulging in a day of relaxation in the onboard Spa to enjoying cosy family meals by the open galley, the GTT 165 is a superyacht that has it all. Large sliding doors on the upper deck allow guests to transform the area from a spacious indoor-outdoor space to a sophisticated dining area, with the upper salon fireplace creating the perfect intimate ambience. The aft sundeck is dedicated to wellness, with a 360-degree view gym and maximum space for fitness, while the state-of-the-art spa centre is found on the lower deck with direct access to the water. Engineered in the Netherlands by the experts at Van Oossanen Naval Architects, the GTT 165 has a robust, fast-displacement hull built from an aluminium alloy, making her a super-efficient ocean-going yacht with a range of 4,000 nm. Modern technology is at the heart of the Dynamiq GTT flagship, not only resulting in optimum performance and comfort but the ability to undertake multiple cruising seasons with no surprises along the way. At the owner's request, a hybrid propulsion system can be chosen for ultimate efficiency and silent operation. The GTT 165 complies with the strictest commercial requirements, ensuring impeccable safety and the attractive option of commercial charter operations.
