## Overview

---

The most popular of the Release Boatworks fleet, the 46 Walkaround “ MATADORA” is now available for your inspection. The 46 is one of the first boats in its class to be designed from the keel up to utilize pod drives. Matadora exhibits all of the attributes of classic custom boats. She has a rakish, unbroken shear, tumble home transom and a blend of teak, Matterhorn white hull paint and bright work that denotes a custom built boat. A light tackle anglers dream, Matadora is set up for the fisherman looking for the competitive edge tournament fishing or honing their skills with family and friends. A perfect platform for mothership operation or sitting on your lift out back
