## Overview

---

"Falcon 2.0" is a fine example of one of the most successful J boats in their line up. Her many recent upgrades make her a great value. Just jump on and go sailing with the family, racing around the cans or just have some fun!

The J-105 gives the on-deck cruising comfort of a 40-45-footer and the speed of a Grand Prix racer. Though designed as a strict one-design for recreational fun with overnight capability, Sailing World's panel of experts selected her as the "Racer - Cruiser" Boat-of-the-Year for 1991 and 1992.
