SPECIFICATIONS

Overview

This 2015 36' Pursuit OS 345 is new to the market and is designed to safely and comfortably take on blue water fishing or cruising. She is professionally maintained, has low hours, and is in prime, turn-key condition. Her options include twin Yamaha F350's w/ warranties until 5/29/21, Diesel Genset, cabin and cockpit air, bow thruster, Simrad electronics w/autopilot, and open array radar. Check out our full list of upgrades in the description section of our Full Specs.

Basic Information

Beam: 12' 0" (3.66m)

Min Draft: 1' 11" (0.58m)

Max Draft: 2' 11" (0.89m)

Speed, Capacities and Weight

Cruise Speed: 30 Kts. (35 MPH)

Max Speed: 45 Kts. (52 MPH)

Displacement: 15950 Pounds

Water Capacity: 50 Gallons

Holding Tank: 18 Gallons

Fuel Capacity: 340 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: F350

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Manufacturer Provided Description

When tasked with designing a replacement model for the 335 Offshore - the best selling model in Pursuit's history - our engineers had a tall order to fill. Fortunately, our staff is full of over-achievers and the OS 345 was born. Slightly longer and wider than her predecessor, this model features an expansive cockpit for fish fighting and a large cabin for cruising and overnighting in comfort. The OS 345's hull has been specifically designed for twin Yamaha 350 hp 4-stroke engines, which provide optimal performance with minimal horsepower. Standard bow thrusters will give any captain the confidence to dock in close quarters, wind or strong currents. The express design includes an open helm with optional bridge deck cooling with air conditioning and an aft canvas enclosure so you can escape the elements without escaping the view. This layout also affords quick access from the helm to the cockpit when you have more screaming reels than anglers. The cockpit includes ample seating and an electric grill for entertaining and a host of fishing features including a recirculating livewell, a comprehensive rigging station with locking tackle drawers, insulated fish boxes and enough elbow room that you're not running into each other. In the cabin, we've developed an innovative circular seating arrangement forward for dining and socializing. The mid-cabin berth includes a comfortable settee. The head compartment includes a separate area for showering to minimize clean up after a nice hot shower. The galley features stainless steel appliances and Corian countertops like those found in fine custom homes - that's appropriate since you'll probably want to live aboard the OS 345.

Standard Equipment

Standard Equipment
