---

## STATEROOMS

---

The owner and two guest staterooms have queen-size beds and ensuite with separate shower. The GT49 comes in a choice of two or three cabin versions. In the two cabin version, an additional lounge is situated below the salon, providing a private cozy space.

---

## GALLEY

---

The Gran Turismo 49 galley is spacious and bright and fully fitted. It has lots of clever storage spaces including the ingenious 'magic corner'. This makes cooking on board a

real pleasure!

---

## TENDER GARAGE

---

A large locker to aft provide storage space for a nine-foot inflated dinghy with its engine in place. The submersible swim platform is designed to take a load of 770 lbs: the dinghy or jet-ski can be stored in it when underway.

The Gran Turismo 49 is constructed with a Volvo IPS 600 (2 x 435 HP) engine. IPS technology makes her responsive and easy to manipulate.
