SPECIFICATIONS

Overview

The Moore 25' center console utilizes the company's proven, patented hull wrap around design [designed for safety and rapid planing]. It is equipped with Suzuki propulsion mounted to a custom parallelogram transom jack plate that allows for extreme shallow draft fishing. The 25' has excellent acceleration and can plane at cruise in only 12" INCHES OF WATER. SHE WILL CRUISE AT 30 MPH AND TOP OUT AT 45 PLUS MPH. This incredibly well engineered boat has a center helm configuration that is equipped with custom wrap around frit fitting glass that offers exceptional visibility with no blind spots. Even though this boat was built with fishing and recreation in mind, it still meets the highest standards the military and commercial industries require.

Basic Information

Category: Center Console

Model Year: 2015

Year Built: 2015

Country: United States

Dimensions

LOA: 25' 0" (7.62m)

Beam: 8' 6" (2.59m)

Min Draft: 0' 11" (0.28m)

Max Draft: 1' 7" (0.48m)

Speed, Capacities and Weight

Cruise Speed: 29 Kts. (33 MPH)

Max Speed: 39 Kts. (45 MPH)

Fuel Capacity: 75 Gallons

Hull and Deck Information

Hull Material: Aluminum

Hull Configuration: Planing

Engine Information

Engines: 1

Manufacturer: Suzuki

Model: 300 Outboard 4S

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Standard Equipment

Standard equipment

- 5/16 Military grade fully welded 5086 aluminum H116
- Patented Moore Boat Design Shallow Draft Aluminum Hull
- Bow Anchor Locker w/ Hatch & Southco Compression Latch
