SPECIFICATIONS

Overview

PRICE REDUCED, MUST GO!!!!!!!!!!!!!!This boat is a classic Cecil Robbins Downeast style boat. She is in great shape, and it was completely refitted in **2011** by the very knowledgeable owner / captain. Her rock solid construction of mahogany plank over oak and heart pine was completely glassed over, including the house. The exterior woodwork is also in good shape. Both fuel tanks were replaced along with a new enclosure. It was repowered with Cummins 330hp engines. They currently have roughly 5000 hours (90% of which is spent trolling) and have been very well maintained. After coolers, exchangers and oil coolers were all serviced in 2017. She sips fuel @ 13 gal/hr cruising at 16 knots. It doesn't show, but the owner has used it as a very productive charter boat and his only reason for selling is to move up in size.
