SPECIFICATIONS

Overview

The 28' Albemarle with Volvo diesel power and direct drive inboard propulsion is one of the most popular boats Albemarle has ever made. Designed and built in Edenton, NC and made to handle the offshore waters of the Outer Banks. This is truly a smaller package fishing machine. Her sturdy, dry ride and economical performance ensure that you not only get to the fishing grounds but more importantly return unscathed. No Patience sports a tower and modest Furuno Nav Net package both at the lower helm and in the tower. PLEASE DON'T MISS THIS OPPORTUNITY TO OWN A REAL OFFSHORE BATTLE WAGON. OWNER SAYS SELL!!! SO BRING OFFERS.
