## Overview

---

### **OWNER wants this boat SOLD, Bring Offers!**

*Ever wanted a modern yacht with unmatched performance? The Farrier-F41 is just what you're looking for. Custom Built in 2007 (completed in 2011), the Farrier-F41 Sailing Yacht is the epitome of performance, class and luxury. The F-41 is a performance cruising catamaran and the first 'two huller' from the renowned sport-tri designer Ian Farrier, owner of Farrier Marine in New Zealand. As with his definitive trimaran models, the F-41 is designed to be a safe, roomy cruiser, with outstanding speed and handling. Race-winning capability is central to Farrier's success, without sacrificing interior space, seaworthiness or structural integrity.*

*The high performance of the F-41 is achieved through the lightweight hull construction techniques and highly efficient rig, areas where Ian Farrier was able to draw on his vast past experience of designing and developing innovative multihulls. The F-41 is essentially a yacht cruiser and will appeal especially to those with experience of Farrier designs who now want to move up to a larger craft with more accommodation and facilities for live-aboard and long passage-making.*

*Sea Joy offers a comfortable four stateroom interior with two bathrooms equipped with showers. The sailing yacht also features a brand new kitchen, salon area with bench seating, electrical system, windows, stainless steel lifelines, and more. This sailing yacht combines style and comfort with speed and efficiency. Your adventure in style awaits!*
