## Overview

---

The Topaz 32 is a well thought out open sportfisherman that offer a large cockpit, stable handling characteristics and above average construction. Her deep-V hull is solid fiberglass. Inside accommodations offer a large V-Berth, Separate Head as well as a dinette which converts to extra sleeping area. Her raised bridgedeck provides excellent visibility from the helm and allows engine room access thru a large hatch located between the helm area seating. The entire helm deck can be lifted to gain access to the engine room if necessary. Powered by twin 3208 320hp Caterpillar diesels the Topaz 32 has a cruise of around 24 knots and can reach top speeds of 28 knots. Seller has enjoyed the boat for the past few years and has had a change of plans. If you are looking for a great older sportfisherman give me a call, glad to make arrangements to have her open and ready.
