Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations and Layout

The 41C was a bold leap for Hatteras as one of the first boats designed using CAD technology; which later became the standard used today. Her designers spared no expense when laying her out, and it shows as you step into the spacious salon, and notice the large Galley to port and roomy L-Shaped Sofa to starboard. Walking forward down the stairs, one can't help but marvel when discovering that there's not one, but two staterooms and a head in this 41' that feels like a 51'! From the airy queen master forward, to the cozy bunked twin beds to starboard, this boat is ready for any extended trip to the most remote fishing spots.

Salon and Galley

- Teak and Holly sole throughout (New 2010)
- Sound Shielded Salon - whisper quiet
- Additional storage under L- shaped sofa
- Flatscreen TV hidden behind Salon teak cabinetry
