Overview

Check out the 360 Walk Through Tour!!!!

bit.ly/2UhjFn

Quality, luxury and fishability are words to describe this 1997 Egg Harbor 52 Convertible *Snow Kids*. The boat features MTU power, three staterooms, fully equipped galley up, luxurious salon, davit and tender, top-of-the-line electronics, attention to detail, continuous attention to maintenance and much more. An Egg Harbor is instantly recognizable by their streamlined, sensuous, and sleek hulls uniquely flared bow, solid glass bottom and keel. The smooth open water ride is also a dry one thanks to its raised sheer lines. Born in the North Atlantic, Egg Harbor is proud of their robust, beautiful, seaworthy, performance vessels. Built by first-class craftspeople, who treat each vessel as if they were making it for themselves. With this keen attention to the smallest detail, Egg Harbor has a time-honored reputation for building durable, reliable, and beautiful vessels that stand the test of time and wind-swept seas. They are the quintessential choice of the serious fisherman as well as the recreational boating enthusiast. Egg Harbor vessels have elegant, large interiors with finely finished wood trim, built with only the best materials and luxurious finishes designed to take the punishment from the salty, humid conditions. Honed by experienced designers and skilled artisans from cabinetry and upholstery, fixtures and fittings are available with semi-custom color pallets for both aesthetic and comfort. An Egg Harbor is a symphony conducted by first-class designers and brought to life by dedicated craftspeople. The Egg Harbor singular beauty, extraordinarily smooth ride, tight maneuverability, wave-slicing performance, and outfitting for big-game come together to create a masterpiece for the sea.
