"Developin Habits" is a great example of a well taken care of Sportfish. Her current owner has done a fantastic job in keeping her in ready to go condition (see list of current upgrades). Powered by twin 485hp Detroit's, she will do an honest 21 knot cruise and can reach top speeds of 25 knots. She is also equipped with a Northern Lights Generator, reverse cycle heating and air conditioning, full galley, single stateroom forward with an enclosed private head.

If you are looking for a clean well kept express with plenty of style and ride this is one you don't want to miss.

DETAILED INFORMATION

Walkthrough

Stepping from the dock into the cockpit you will see why this custom express is on every fisherman's wish list. There is more than enough room for everyone to enjoy. Taking a look around you will find a large transom fish box along with 2 In-deck fish boxes, Teak Fighting Chair, Freezer and Rigging Station w/ Fresh Water Available. Stepping up one step into the bridge deck you will notice a large bench seat to port and an L-shaped seat to starboard both with plenty of storage space underneath for all of your tackle and extras you will need. Continuing forward down 3 steps into the cabin space you will find her full galley complete with a two burner stove top, microwave and a full size upright refrigerator / freezer. Stepping slightly to Port you have a bench style sofa with rod storage underneath. Just forward is her Stateroom complete with over / under bunk and access the head compartment.
