**Engine Type:** I/O

**Fuel Type:** Gas/Petrol

---

# DETAILED INFORMATION

---

## Accommodations

---

The Formula 34PC has a wave taming deep V-hull that runs fast and dry. Because of the generous 11'6" beam, the interior offers surprisingly good headroom and unsurpassed comfort. Below decks, sleeping accommodations include a forward berth, aft berth, and convertible dinette/salon settee. Curtains provide privacy to the forward and aft berths. The galley has a solid-surface counter with a flush sliding cover for the recessed cooktop. There's plenty of stowage and the flat-screen TV on an articulating arm can be seen from the entire cabin.

- Ultra Leather Upholstery with High Gloss deep cherry cabinetry
- 12K BTU Reverse Cycle Heat/Air
- 12V fans
- Centerline Queen with drawer storage and cedar lined hanging locker
- 32" HDTV on articulating arm adjusts for viewing from salon or centerline bed
- BluRay Player
- Kenwood CD/Radio
- Full galley with under counter refrigeration, microwave, 2 burner electric stove, stainless sink, corian countertops and built in beverage holders
- High Gloss Wood Sectional Dining Table
- Accommodations for 6 including convertible double berths in the salon lounge
- Head with corian countertops, high gloss deep cherry wood grain cabinetry, separate shower, Vacu-Flush electric head
- Central Vacuuming System

## Cockpit

---

The cockpit is perfectly set up for entertaining and the multiple seating areas allow for your guest to spread out and enjoy the ride. Access to the bow is easy thanks to overwide steps beside the companionway. Deeper treads and a substantial rail guides your way. Once you're safely on the bow, take some time to enjoy the split sunlounge or admire the way the anchor, windlass, and washdown are concealed beneath a hatch. The rode is all chain, by the way, which eliminates the line twist associated with a windlass by getting rid of the line.

- Oversized cockpit table
- Cockpit cushions (some tearing along the seams, as noted in the pictures)
- Wet Bar with sink and refrigerator
- Cockpit shower on transom (Hot & Cold)
- Swim ladder
- Swim platform

- Remote Search Light with cockpit control
- Electric windlass w/ controls at bow and cockpit
- Electric engine hatch
- Bimini top, front eisinglass panels, cockpit cover
- Cockpit speakers w/ remote stereo control
- Bow sun lounge cushions
- Walkthru Windshield

---

## Electronics

---

- Raymarine C80 chartplotter
- Raymarine ST60 depth
- Compass
- 60amp Battery Charger
- ProMeter Galvanic Isolator
- (2) 30amp shore power inlets (one dedicated for AC)
- High-water alarm
- Electric bilge pump

---

## Mechanical

---

Mechanical access aboard the 34PC is great. The engine compartment can be accessed three ways - via the electric switch in the cockpit, via a large manual hatch aft over the motors, or via an additional manual hatch for step-down access in front of the motors. Upgraded OceanX drives in 2012. The well maintained 375hp Volvos are quick and responsive with a top end speed of 50mph.

- 375hp Volvo 8.1 OSi-BF (Factory upgrade from std 300hp MerCruisers)
- **170 hours on the engines**
- OceanX drives (2012)
- Fuel capacity 200 gal
- **Kohler 7.3KW gas genset (70 hours)**
- Full maintenance records

---

## Exclusions

---

Owner's personal belongings.
