SPECIFICATIONS

Overview

ELLIPSE IS A RARE GEM!

This 2017 Lagoon 630 MY is the most well equipped turn key yacht in its class. There is no other POWER CAT like it, as it is the only USA spec'd Lagoon Motor Yacht on the market. Unique features that include:

- An OVER-SIZED anchor for safe holding at anchorages - NEVER DRAG
- Enough spares and more for your whole first season
- Connectivity ANYWHERE for phone calls and internet including on board WIFI/TV
- Fishing gear, safety gear and entertainment gear included
- Professionally installed custom adds throughout
- Full strata glass enclosures for protection
- Solar panels
- 15 foot Highfield RIB w/60 HP Honda
- AND MANY MORE.....

ELLIPSE is priced to sell and will not last long. She is currently in transit from Ft. Lauderdale, FL. to Savannah, GA. Please call listing broker to set up a showing or if you require more information.

The Lagoon 630 Motor Yacht defines a new way of cruising in ultimate luxury and style. Built in collaboration with world renowned naval architects VPLP and interior design by Nauta Yachts, the 630MY has won several awards for both form and function. Inside, the luxurious appointments and state of the art equipment makes living aboard safe and elegant. At her core, she is a true-Bluewater passage maker with excellent seakeeping ability and has an impressive long range, that makes life at sea both comfortable and efficient.

ELLIPSE is the only Lagoon 630MY currently on the market that is built to US specs, and has the desirable 4 cabin / 4 head / lateral galley layout. She has been generously outfitted with nearly every factory option along with a suite of custom upgrades added post-delivery. Call for more information!
