DETAILED INFORMATION

Walkthrough

Walking up the the Top Shelf you will notice how large the cockpit is. She offer a cockpit that you will find in most 50+ boats. When you step on board you will see a 80lb class teak fighting chair along with a transom fish box as well as port and starboard tackle centers / ice and fish boxes. Going forward thru the teak salon door you will find port and starboard l-shape seating with storage area underneath. Forward on the portside you will see the entertainment center area w/ flat screen tv, stereo system controls and plenty of storage drawers and cabinets. Moving forward going down 3 steps you will find her galley complete with full size Frigidaire refrigerator / freezer, microwave and plenty of storage drawers and cabinets to store all of your off shore needs. To port you will find her mid-ship master stateroom and private head w/ separate shower arrangements. just forward of the galley you will find the guest head w/ shower. Continuing forward there you will find an over / under bunk area for the crew as well as more storage compartments for all of the rest of your fishing equipment.
