Overview

CLEAN, CLEAN, CLEAN

View the Virtual Tour: bit.ly/2lByMUW (Copy & Paste in Browser)

This immaculate 2011 Luhrs 37 IPS Canyon Series will not last long!!! With only 788 hrs. on her upgraded engines and its meticulous owners, there is no other like it on the market. Some features include:

- Upgraded IPS 600 engines
- 2 Chartplotter's, Radar, Autopilot, VHF, and Fishfinder
- Reverso oil change system for engines and generator!!!!
- NEW Bottom paint in 2019
- Generator with only 80 hours
- RUPP Outriggers and center rigger
- Full enclosure plus Sunbrella full cockpit cover
- and many, many more.....

If you are on the market for very clean and affordable offshore fishing boat, call to set up an appointment to see this one. You will not be disappointed!

The 37 IPS combines serious offshore features found only in larger, traditional shaft driven sportfish boats with the fuel efficiency, maneuverability and performance of Volvo IPS. Offering 20-30 percent greater fuel efficiency than shaft drives, the IPS system gives the 37 the range to get to the fishing grounds and back home with fuel to spare, and docking is a doddle with the Joystick system. The standard tower, fish box, livewell and bait prep center will please the hard core fisherman - but not at the cost of cruising comfort.
