SPECIFICATIONS

Overview

Moor Fun is an immaculately clean, fully equipped cruiser, featuring numerous upgrades and three staterooms. She is one of the last and most refined Gemini catamarans built, capable of motoring in as little as 18" of water, making it possible to go virtually anywhere in the coastal U.S. or Bahamas - just one of the reasons Gemini's hold their value so well. She has had only one owner who has chosen to add upgrades that reflect both his knowledge and experience. Now it's time for a new owner to enjoy Moor Fun as much as he has!
