SPECIFICATIONS

Overview

The Intrepid 377 is a semi-custom sport yacht whose sleek profile and advanced construction set her apart from most conventional express boats of her era. Like all current Intrepid models, the 377 rides on a high-tech, stepped hull with a relatively narrow beam. The versatile deck plan of the 377 is designed to accommodate both weekend cruising and serious fishing activities. The centerline console is located well aft in the cockpit to make room for a large L-shaped settee forward, and the interior includes a compact galley, settee to port, and an enclosed head with a separate stall shower. The helm layout is superb, and an electric windlass is recessed under a hatch on the bow pulpit. Additional features include a low-profile windshield and bow rails, wide side decks, dual-cylinder hydraulic steering, good range, and a transom door. A top-quality boat with near-flawless fit and finish, triple 300 hp Mercury outboards will deliver a top speed of over 50 knots. She's priced right and ready to sell!!

Basic Information

Category: Sport Fisherman

Sub Category: Express

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 37' 0" (11.28m)

DETAILED INFORMATION

Walkthrough

This 377 Intrepid is one of the most popular models. The spacious cockpit has all the features you need to fish any tournament. The helm is from port to centerline and the layout rivals most big sport fish boats. Moving forward in front of the helm to port is L-Shaped seating with an abundance of storage below. Moving forward through a sliding door and down 3 steps is the awesome salon, featuring a settee to port which converts to a bed, and forward is a double bed. This Intrepid also features a starboard side full galley and to the starboard side aft a full shower and head.
