## Overview

---

Breathless is a very well maintained Tradewind 47 by Marine Trader. She offers an exceptionally luxurious 3 cabin interior layout with large salon and galley down design with comfortable dinette. She is powered by twin Lehman ESD-660T diesel engines and is equipped with Naiad stabilizers and a 12 kw Westerbeke Generator that can run every amenity onboard, including the brand new Splendide Washer/Dryer. Breathless has been just outfitted for extended cruising, including new top of the line canvas enclosures and Garmin electronics package with chartplotter, sounder, radar and autopilot. The fuel tanks are full and she's ready to go today. Just add groceries, everything convey's but the artwork. Click on full specs for all the details on this extensive refit.

## TRADEWIND 47 VESSEL WALKTHROUGH

---

From the swim-platform you can enter the aft sundeck by stainless steel ladder. There are teak and glass doors to the side decks port and starboard. There is a panoramic view through a brand new canvas enclosure, which includes roll-up windows and sun sunscreens. The sundeck has a bar with new decorative concrete counter top, under counter refrigerator/freezer and large ice-maker to port and steps to Fly-bridge center. Through the door to starboard and down three steps is the spacious salon to port and helm with full controls, electronics and a sliding door to the side deck to starboard. down three steps aft there is the aft head to starboard, guest cabin with 2 berths to port and very large master cabin aft. down three steps forward there is a dinette with seating for 6 to starboard and a full galley to port. The 2nd guest cabin is forward with bunks to port. Vanity and hanging locker to starboard.

## TRADEWIND 47 ACCOMMODATIONS

---

The Master cabin is full width of the beam and with a standard shaped queen size walk-around berth is roomy and luxurious. There are lighted hanging lockers and a vanity to port and a chest of drawers, a 24" LED TV and new Splendide washer/dryer to starboard. There is an entrance to the aft head to starboard next to the cabin entrance. There is a guest cabin forward to port across from the aft head with 2 adult sized berths a vanity and a lighted hanging locker. Forward of the galley is the 2nd guest room with 2 slightly narrower berths a vanity and a lighted hanging locker.

## TRADEWIND 47 GALLEY

---

The galley has beautiful black marbled solid surface counter-tops with a stainless steel three burner cook-top, a GE convection/microwave oven, an apartment sized Whirlpool refrigerator/freezer, a trash compactor and a garbage disposal in the deep 2 bin stainless steel sink. There is lots of storage above and below the counter-tops. The galley down design creates a lot of headroom and natural light from above. To starboard there is a booth style dinette with matching solid surface table, room for 6 and additional storage space.

---

## **TRADEWIND 47 SALON**

---

The Salon is very spacious with panoramic view and natural light through large windows, beautiful teak cabinetry, a full sized L shaped ultra leather sofa with a large matching ottoman to port aft, a 2 seat bar overlooking the galley port forward, and interior helm and 30" TV to starboard. There is a 24 bottle wine cooler in a locker behind the sofa.

---

## **TRADEWIND 47 FLY-BRIDGE**

---

The fly bridge is fully enclosed with a new Sunbrella Bimini top, poly-carbonate front panels that flip up for ventilation, Strataglass side and rear panels all sewn with Goretex thread for long life. The helm has full controls, a new Garmin GPS map 7612xsv with sounder, radar, and AIS. The auto pilot is a new Garmin GHC-20, there are 2 Standard Horizon Eclipse VHF radios and a hailer. There are 3 swivel chairs at the helm, a L shaped settee aft starboard and a bench seat to port all with attractive and comfortable cushions. Aft of the fly bridge behind the fiberglass arch is storage for the tender and electric lift to launch it.

---

## **TRADEWIND 47 ENGINE ROOM**

---

Access to the engine-room is through hatches in the Salon. There is ample room to access the engines and systems. The engines are clean and professionally maintained by local mechanics. The encased Westerbeke 33 12kw gen-set, which just had electrical overhaul including re-winding, sits forward of the port and starboard twin Lehman ESD 660T diesel engines. There are painted steel diesel tanks with large inspection ports to port and starboard.
